

The assembly glove offers an optimum combination of comfort, flexibility, grip and protection, ideal for precise work in various industrial areas. The non-slip nitrile foam coating ensures slip resistance and a secure grip. Thanks to the selected materials, the glove is breathable, which minimises the build-up of moisture on the hands. The gloves are particularly flexible and adapts to the shape of th...

Category	Assembling
Coating	Nitrile foam
Coating details	palm coated
Main material	Nylon 15 Gauge
Colour	grey / black
Packaging unit	12 pairs / 144 pairs per carton
Sizes	6, 7, 8, 9, 10, 11, 12

AREAS OF USAGE

- Automotive industry
- Building industry
- Craft
- Manufacturing systems engineering
- metal processing

CHARACTERISTICS

- abrasion-proof / durable
- breathable
- flexible fit
- maximum grip
- sensitive
