Economical cut protection glove level D with PU coating. The breathable PU coating enables precise handling of tools and materials. The glove is light and flexible and offers very good wearing comfort with high dexterity. This model is versatile thanks to its flexibility and cut-resistant properties.

Category	Cut protection 5/D
Coating	Polyurethane (PU)
Coating details	palm coated
Main material	HPPE - 13 Gauge
Colour	greying / grey
Packaging unit	12 pairs / 144 pairs per carton
Sizes	6, 7, 8, 9, 10, 11

AREAS OF USAGE

- Automotive industry
- Warehousing and logistics
- Manufacturing systems engineering
- metal processing

CHARACTERISTICS

- sensitive
- finger movability
- abrasion-proof / durable
- breathable
- cut resistant
