

The extra thin 18 gauge nylon carrier material makes it possible that you hardly feel the glove. In combination with the advantages of the TEC coating, this glove is very well suited for precision work.

Category	Assembling
Coating	NIRO-S TEC
Coating details	palm coated
Main material	Nylon 18 Gauge
Colour	black / black
Special characteristics	OEKO-TEX Standard 100
Packaging unit	12 pairs / 144 pairs in carton
Sizes	6, 7, 8, 9, 10, 11

AREAS OF USAGE

- Aviation
- Craft
- Glass industry
- Manufacturing systems engineering
- Warehousing and logistics

CHARACTERISTICS

- abrasion-proof / durable
- breathable
- finger movability
- flexible fit
- oil-repellent
